IDEAS FOR YOUR “BIT OF A ROYAL DO”

Here are some thoughts to get your fundraising started. We can supply you with fundraising materials such as buckets, balloons and bunting for you to download.

Tea Trolley – Show your royal side and host a regal tea party with friends, family, colleagues or at your club. Wear your posh frock or jacket, put on your hat and serve your fancy cakes and tea. You could charge people £2 to attend and £1 for a slice of cake.

Get Together – Celebrate with family, friends and neighbours at home, in the park, local pub car park or within the local community. Bring people together with a day full of fun games and food.

Dress like a Royal – Turn out in red, white and blue for a royal dress down day at work or school in return for a donation.

Quintessential Royal Quiz - Circulate our quiz sheet in return for a £2 donation, to test your family, friends and colleagues about their royal knowledge.
